

**Project. Celebrate Earth Week with Nederland Sustainability**  
**Community Garden Day**

***Sunday, April 20, 12:00-4:00 pm***

Join a garden team and learn how to ready the beds.

Come for one hour or all four. Bring nail guns, drills, shovels, and forks. We're constructing coldframes, mini-greenhouses, and digging plots.

Find us behind the Co-op.
